

About our jobs and the area

The jobs that we are offering are hotel-based and offer reasonable pay-rates with the possibility of overtime. The job positions include laundry attendant, housekeeping, waitress, waiter, host, hostess stewards, prep-cook and line cook. Some of the employers are offering bonuses to hard-working, respectful and well-mannered employees. We also offer lifeguard jobs at apartments and hotel pools.

The majority of the jobs are located in a busy tourist area. There are several motels and restaurants in the area where one can obtain a second job.

There are a lot of interesting things to do for recreation and the shopping malls are accessible and many hang-out spots are available.

Why should you register with International Work and Travel Services?

We are licensed with the Ministry of Labour.

Mount Rushmore

Programme Overview

International Work and Travel Services takes great pleasure in providing you with the opportunity to participate in the Summer Work and Travel Programme in the USA.

The purpose of the programme is to enhance a cultural exchange among all participants, regardless of their country of origin. The exchange programme enables fulltime college students to live and work in the USA up to 4 months, legally. The duration of a participant's programme may be shortened; depending on the school's official summer break. It is our responsibility to provide you with a legitimate job and a programme sponsor while you are in the USA. Your role is to provide all that is required, follow all the rules and you will be on your way to having a great programme.

Conditions Apply.

Why Participate in the Cultural Exchange Programme?

The programme provides participants with the opportunity to explore the USA, its people and culture as well as working with exchange students from different countries.

It allows participants to create a network of international friends and employers. At the end of the programme, participants are most likely to gain a worthwhile experience and will also internationalize their resume.

Participants will also earn money to take care of their expenses while they are in the USA, travelling and sightseeing at the end of their programme.
